

Invitation to a seminar

How to teach effectively in English in a multicultural and multilingual classroom.

Register here for free by June 7th, 2022

Join us for a good-practice exchange on how to simultaneously consider language, culture and content in today's medical classroom to prepare students to become qualified doctors.

The Content and Language Integrated Learning (CLIL) approach in education in medical and healthcare sciences was central to our CLILMED Erasmus+ project.

When

June 10, 2022
Friday
10.00-13.00

Where

Main Library
Medical University of Warsaw
ul. Żwirki i Wigury 63, Room 23
